General and Revenue Departments

Sir

In connecting herewith for [illegible] reference copies of resolutions of the District Fund Board on a reference received from the Senior Inspector requesting to be informed of the President of the District Fund Board of the Board to be informed of vacancies being made for another more senior to be elected in vacancies for Secretaries in the District I have the honour to state that a vacancy for a Secretary occurred in Tarikere

Tarikere

mension has been made in the annual District Fund Budget; and that on a reference to the senior surgeon requesting that an extra Midwife may be sent for the District it was intimated that one would be sent when available as there were apparently no trained hands for service.

2 ——— It need not be stated here that want of trained Midwives in the talukas is specially felt in remote villages and the difficulties attending this want cannot be exaggerated. This difficulty becomes aggravated when, in case of a midwife being absent on leave, a perfect stranger who cannot command the confidence of the female population is sent to fill her place temporarily. The remedy to this can only be found in the appointment of a reserving midwife who can make herself acquainted

acquainted with the people by being
in ~~the~~ turn appointed in different
Talukas during the absence of the
permanent midwives. Having
regard to the above facts the
District Fund Board has re-
solved to allow a scholarship
for one woman to enable her
to undergo training in midwifery,
with a view to her employment
in the District when a vacancy
occurs.

3_____ Since no returning midwife
has been appointed for the District
the amount provided under
that head may with advantage
be appropriated to pay a scholarship
of Rupees 10 per mensem to a stipendi-
ary student.

4_____ I have the honor to request
therefore that you will be good

enough

Enclosure to ltr 6/a

Proceedings of a meeting of the District Fund Board, convened at Hassan on Saturday the 24th August 1901.

4- Read Senior Surgeon's docket No. 308 dated 11th July 1901 intimating that the cost of training a pupil midwife will be about Rs 10/- per mensem for a period of one year or Rupees 120/- in all; read also the resolution of the Board at its last meeting that provision be made from the District Funds for one woman as stipendiary student of this District.

Resolution: Recorded with the observation that Government be addressed to kindly sanction the appropriation of a sum of Rs 120 provided under the head "Relieving Midwife" (since no trained midwife is available) towards paying the scholarship for the stipendiary student
